Join us Sunday, March 7th at 1pm as we gather on the Chico City Council steps to witness the mayoral proclamation, declared by Anne Schwab, commemorating both this landmark victory — and the establishment of the League of Women Voters. Jane Dolan will speak.

Then... walk as one to the Chico Women's Club for refreshments and the award-winning movie ***Iron Jawed Angels*** (starring Hilary Swank, Anjelica Huston, Patrick Dempsey & other fine performers).

To get in the Spirit you might wear two Suffragist colors — Yellow & White!
